THERAPIST'S CHOICE

Yon-Ka Retinol-Like Facial

-ONLY €120pp-

A rejuvenating facial designed to smooth, brighten and revitalise the skin. This treatment helps improve the appearance of fine lines, uneven skin tone and skin texture, leaving your complexion looking fresh, radiant and beautifully refreshed.

Lava Shell Massage

A Lava Shell Massage is a luxurious heat massage that uses natural Tiger Clam shells instead of hot stones. The shells are self-heating, providing continuous warmth throughout the treatment to help relax muscles and ease tension.

Key Benefits

- Relieves muscle tension and stiffness
- Promotes deep relaxation
- Improves circulation
- Helps reduce stress and anxiety
- Leaves the body feeling warm and rejuvenated
